Wise Words

Good things come to those who believe, better things come to those who are patient but the best things come to those who don't give up.

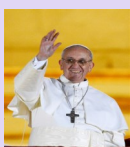

Please remember to **wear your mask when on school premises and keep your distance inside and outside school.** Follow the rules to keep everyone safe. Thank you.

RE Reflection of the Week

YEAR 1—YEAR 6 FREE SCIENCE ONLINE CLUBS

I would like to attract your attention to an excellent idea/resource on STEM, who are holding virtual science clubs. It is a great way of involving your children and enriching their knowledge and excitement about the surrounding world and Science. Sessions will occur fortnightly during term time on Wednesdays starting at 4:30pm. Each session lasts 30 minutes.

<https://www.stem.org.uk/national-stem-club>

The planned dates are:

- December: 09
- January: 13 and 27
- February: 10 and 24
- March: 10 and 24

I believe it might be a fascinating and highly educational journey for your children.

Why not to have a go? :) Enjoy! Ms Agnes, Science Coordinator.

Covid-19 Tests

If you or your child have any symptoms of Covid-19 and are sent for a test by your GP / NHS 119, please let us know. Parents/Carers are also asked to email the results to the school when they or their child/ children receive either a positive or negative Covid-19 test result.

Posada

Each class has a posada bag containing a Mary, Joseph & donkey figurine. If your child brings the posada bag this week please help them by following the instructions inside the bag. There is also a diary for your child to make a record of the 'visit' or to write a prayer. An adult should always supervise the lighting of the candles and stay in the room while the posada is used.
