### CCS Support for families in times of difficulty

The Catholic Children's Society (CCS) supports disadvantaged children and families across London. They operate a Crisis Fund which provides immediate financial support for families facing a crisis in their lives.

Head teachers can apply to this fund on behalf of a family and CCS will respond within 24 hours. This support can make a huge difference to families in desperate situations when they have nowhere else to turn. Should any of our families feel like they may benefit from this, particularly at this time of year, please do come and speak with Miss Harris. All conversations will be held in confidence. You can find more information on the work that they do on their website: <https://www.cathchild.org.uk/crisis-fund/>.
